

teacher of the month

Emily jorgensen

OF MAGICAL JOURNEY
LEARNING CENTER

the kids are drawn to her

Emily Jorgensen has been teaching at Magical Journey Learning Center (MJLC) for the last two years and, what can we say, the children are drawn to her. She effervescently describes her days of working with and guiding 2- and 3-year-olds as “the best time!” With this kind of enthusiasm, of course, the children adore Ms. Emily.

Her favorite thing about teaching is “Learning the different quirks of the children and watching them develop into their own little personalities.”

When she is not with the preschoolers, Emily is working as an administrative assistant. MJLC owner and director, Jessica Spada, describes Emily as “an amazing addition to the MJLC team! She is dedicated, thoughtful, caring, professional, and a true early childhood educator.”

Spada adds, “As an administrator, she is indispensable. Emily can handle any task and she does it with a positive attitude. We cannot imagine MJLC without her!”

Outside of her roles as teacher and administrator, Emily finds time to hike, dance and, most importantly, be a mother to two awesome girls, which provides an added level of experience when working with children at MJLC. As for her girls, they see Emily as both a mother and a teacher, which, adorably, leads Emily’s little one to proudly and lovingly call her, “Ms. Mommy.”
